EDUCATION

Govind Ballabh Pant Institute of Engineering and Technology   **Pauri,Uttarakhand**

B. Tech in Computer Science   **CGPA: 8.5**   *Expected Graduation, June 2026*

PROFILE SUMMARY

Targeting to contribute to a dynamic team in a software developer role where I can leverage my skills and grow professionally.

- Experienced in developing and debugging applications through hands-on projects and internships.
- Demonstrated ability to manage and deliver projects **efficiently**, from initial planning and design to final deployment and maintenance.
- Committed to **staying updated** with the **latest industry** trends and technologies, continuously enhancing skills to provide innovative solutions

PROJECTS

Portfolio Website

Tools: HTML,CSS and JavaScript

- Developed a responsive portfolio website using HTML, CSS, and JavaScript to showcase web development skills and projects.
- Implemented smooth animations and interactive elements to enhance user engagement and improve user experience.
- Demonstrated expertise in front-end development, UI/UX design, and adherence to coding best practices.

GitHub Repository: Portfolio Website

TechFest Website – Spandan 2.0

- Technology Stack: React.js, HTML, CSS, JavaScript
- Description: Developed a dynamic and responsive website for my college Techfest-SPANDAN-2.0, focusing on user experience and mobile-first design principles.
- Key Features:
    - Integrated event details, schedules, and registration functionality.
    - Implemented reusable components for efficient code management and scalability.
    - Optimized for performance and cross-browser compatibility.

GitHub Repository: DivNai/Spandan2.0
